Bryant,

My director's name is Ashley Wadick. I believe she has already been sending information. Let me know if you are having any issues receiving her emails.

Thanks you Guadalupe. I got your voice message late last night but didn't want to bug you. What is your Directors name, so I can watch for the information?

Bryant

Guadalupe – I was told that TCEQ is holding a daily call with Arkema. Since EPA is participating in Unified Command, could you please share the Date and time for the meeting, so we can participate?

Bryant,

FYI, also we are trying to setup conference calls with Arkema for continuous updates. I will be sending you information on conference calls soon.

Thank you!
